Barnburgh Surgery

SALARIED / Partner GP VACANCY

6 sessions – Full Time

Barnburgh is a small, semi-rural village seven miles outside of Doncaster. The surgery is based behind the historic Cat & Man Church within a friendly village community. The practice converted a retired Church building in 1997 and has completed many extensions/improvements to the original structure in the past years. Most of the surrounding villages were built around the mining industry although many of the mines have now closed. The surgery serves a semi-rural population from a wide village network covering neighbouring villages such as Harlington, Sprotbrough, Hooton Pagnall, Mexborough, Cusworth, Goldthorpe, Swinton, Wath, Thurnscoe, Adwick upon Dearne, High Melton and Bolton upon Dearne. Barnburgh Surgery is an enthusiastic and innovative practice with a list size of 2900 patients which continues to grow every year. We are seeking a motivated GP in either Salaried or Partnership position, to join our existing GP Dr Wagstaff who is a member of the Doncaster Commissioning Consortia Group board. Our vacancy is flexible between 6 sessions and up to fulltime working. We are a friendly, supportive, forward thinking team aiming to provide high quality patient care together with an emphasis on continuing professional development.

Vacancy for Salaried GP Mexborough Health Centre

Mexborough Health Centre is a small friendly practice, west of Doncaster, and also close to Sheffield, Rotherham and Barnsley.

We are looking for a Salaried GP with a view to a Partnership. This post has arisen, as a result of one of our current Partners leaving the Practice to work closer to home.

This post is available from Monday 28th August 2017, although as this is a Bank Holiday, the first working day will be 29th August. However if a suitable candidate is found this date can be flexible, and we are prepared to wait for the right candidate.

The vacancy is to work seven sessions per week, but there can be flexibility around this, and we are willing to consider either full-time or part-time working.

- Consistently high achievers for QOF
- GMS Practice
- List size is approximately 5,900
- Paperlight Practice using Emis Web clinical system
- Six weeks annual leave, pro rata
- Supportive working environment, with fairness in employment for Salaried GPs & Partners

An Interest in or previous experience of Minor Surgery and Joint Injections would be an advantage.

If wishing to apply for this post please submit a C.V. and covering letter.

For further information or to arrange an informal visit to the Practice please contact:
